

To whom it may concern,

Re: OrcaFest 2011

This is the 12th Anniversary of Port McNeill's very own ORCAFEST 2011!

Greetings! Plans are well under way for Port McNeill's 12th Annual OrcaFest. Mark your calendars as this year's celebration will take place on Saturday, August 20, 2011.

We are seeking cash donations to help with sponsorship of this great and highly anticipated community event. Your donation will enable us to secure all the children's activities and the promotion of the second annual "Port McNeill Logger Sports". These events and many more attractions will come together to make this year's OrcaFest bigger and better than ever before!

We have introduced some new sponsorship levels and benefit categories for all levels of donation. The new levels are in keeping with the "new" look of our annual event; inclusive of Logger Sports and the media attention that this entire event deserves.

The Port McNeill and District Chamber of Commerce has committed to sponsorship for this year's television coverage of "Lumberjacks" in Port McNeill! We're excited to be able to showcase our amazing North Island community in this fashion. The OrcaFest team has committed to live radio remotes from the heart of Downtown Port McNeill. The opportunities for business representation are vast and there is some sponsorship avenue for everyone to help with!

It's time to bring the spotlight home! Port McNeill has amazing things to offer everyone be it business, resident or guest- it's time to show off!

We encourage your business/organization to be part of this great community event. Thank you for your generous consideration and we look forward to seeing you at OrcaFest!

Sincerely,

The OrcaFest Committee

On behalf of the Port McNeill & District Chamber of Commerce
